**NOVEMBER 8, 2007**

10:00 am to 2:00 pm

Marriott Gaithersburg  
Washingtonian Center  
9751 Washingtonian Blvd.  
Gaithersburg, MD 20878

**DECEMBER 11, 2007**

10:00 am to 2:00 pm

Bethesda Marriott  
5151 Pooks Hill Road  
Bethesda, MD 20814

Business Recycling:  
It's the Law.

## Celebrate America Recycles 2007 – Buy Recycled for Your Business

America Recycles 2007 is dedicated to encouraging residents and businesses to recycle and buy products made with recycled-content. This annual campaign supports local communities, provides information, and raises awareness about the benefits of recycling and buying recycled products.

AMERICA RECYCLES 2007

Businesses in Montgomery County generate approximately 50% of the County's waste. The County requires businesses to recycle to minimize the amount of waste destined for disposal, save precious natural resources, and reduce air and water pollution. It's important for businesses to progress beyond just recycling and purchase recycled-content products. These actions will ensure viable markets for products that contain recycled materials and reduce our dependency on virgin raw materials.

Buying recycled is easy; just look for the "recycled-content" symbol ♻️. Many of today's office products, as well as construction materials, building supplies, and even clothing are available with recycled-content, so your recycled-content purchases conceivably could reach all aspects of your business. Examples of such products include: printing and writing papers, pens and pencils, file folders, office furniture, clothing, carpeting, re-refined motor oil, retread tires, and much more.

As we celebrate America Recycles 2007, take a closer look at your business practices. Are you and your employees recycling all of the County's required recyclable materials such as mixed paper, commingled materials, yard trim, Christmas trees and scrap metal? If you are recycling all that you can recycle, does your business have a policy in place to encourage buying recycled? Come celebrate America Recycles 2007 with Montgomery County and learn how to implement a successful buying recycled program for your business. This special community-wide event featuring information and activities on recycling will take place on Saturday, November 17, 2007 from 11:00 am to 4:00 pm at the new Rockville Library in the Rockville Town Center. For more information please contact the Montgomery County Division of Solid Waste Services at (240) 777-6400 or visit our Web site at [www.montgomerycountymd.gov/recycling](http://www.montgomerycountymd.gov/recycling).

Come meet Rocco the Recycling Retriever and get answers to your recycling questions at America Recycles 2007!

## ENFORCEMENT UPDATE

Montgomery County Executive Regulation 15-04AM requires all businesses to recycle. In addition, property owners are required to provide recycling collection services and storage space for recyclable materials to their tenants.

SORRT Program staff are available to help your business or organization comply with the County's recycling requirements. Failure to recycle or provide recycling collection services may result in a written warning and/or fine.

Here is a list of past enforcement actions. Businesses highlighted in **RED** received a citation. All of the businesses listed below are now in compliance.

# Focus On: Scrap Metal

## It's all business about scrap metal recycling — nothing but the facts.

Most Montgomery County businesses use and discard various metal items throughout the year. These items can range from something as small as wire hangers to larger items like refrigerators, file cabinets, and construction/demolition materials such as wire and rebar.

### Did you know that scrap metal must be recycled?

Recycling **scrap metal** is mandatory in Montgomery County, and a wide variety of scrap metal items are accepted by the County's Solid Waste Transfer Station/Recycling Center. Remember that by recycling you can make a difference in the community, help preserve the environment, and help Montgomery County achieve its goal of recycling 50 percent of all waste generated.

**No matter what type of business you have, you probably generate many scrap metal items that must be recycled.**

**Some examples include, but are not limited to:**

#### Retail

- Wire hangers
- Clothing racks
- Metal displays

#### Construction

- Metal pipes
- Rust free chain-link or wire fencing
- Old tools
- Rebar
- Aluminum, steel, iron, and copper items

#### Offices

- File cabinets
- Metal shelving
- Metal desks
- Air conditioners
- Water heaters

#### Restaurants

- Refrigerators with doors removed
- Ovens
- Metal work tables
- Grills

Businesses must drop off materials at the Montgomery County Solid Waste Transfer Station/Recycling Center located at 16101 Frederick Road in Derwood. No appointment is required. The Station is open 7 days-a-week from 7:00 am to 5:00 pm, however loads exceeding 500 lbs. will not be accepted on Sundays. There are no limitations on how much scrap metal can be disposed at the Solid Waste Transfer Station/Recycling Center.

The County does not pay businesses for scrap metal. Businesses may also contract with a scrap metal recycling company for collection. In addition, a business may self-haul their scrap metal to a private recycling company.

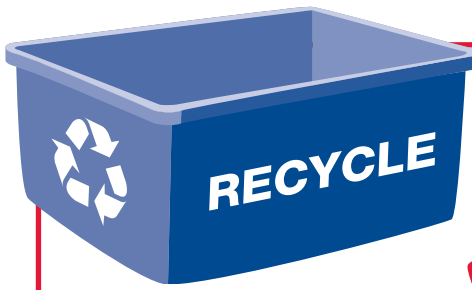

If you are doing renovations at your company, be sure to work with your contractor so that any scrap metal is recycled as part of your contract.

### Average Scrap Metal Prices - October 2007

*Prices vary widely by vendor. Listed below are the average prices paid for scrap metal (per lb. of material) in October 2007.*

Aluminum	\$0.43	Cast Iron	\$0.04
Brass	\$0.96	Light Iron	\$0.03
Copper	\$2.15	Stainless Steel	\$0.52
		Steel	\$0.04

**For more information on Montgomery County's scrap metal recycling policies or to obtain a list of private scrap metal recycling companies visit our Web site at [www.montgomerycountymd.gov/recycling](http://www.montgomerycountymd.gov/recycling), or call the Division of Solid Waste Services at 240-777-6400.**

*There's always time for recycling...*

## Recycling Checklist

Commercial properties and businesses must recycle the following materials if these products are generated:

### MIXED OR SORTED PAPER

-  White Paper & Colored Paper
-  Cardboard, Boxboard, & Cereal Boxes
-  Newspaper & Inserts
-  Magazines & Catalogs
-  Telephone, Paperback, & Hardcover Books
-  Unwanted Mail & Envelopes with or without windows
-  Shredded Paper & All Other Clean, Dry Paper

### COMMINGLED CONTAINERS

-  Glass Bottles & Jars
-  Aluminum Cans & Foil Products
-  Bi-Metal Food & Beverage Cans
-  Plastic Narrow-Neck Bottles  
(The opening of the container must be narrower than the body of the container.)

### YARD TRIM

(Grass, Leaves, and Brush)

### CHRISTMAS TREES

### SCRAP METAL

Businesses are encouraged to voluntarily recycle the following materials:

- Toner Cartridges
- Computers
- Pallets
- Batteries
