

DTL
Limousines 2009

**The following Limousine Companies successfully completed the
Drawing the Line on Under 21 Alcohol Use training in March 2009**

The training covered the Maryland alcohol and drug laws and consequences, alcohol and drug use indicators, helpful company policies and procedures regarding the transportation of clients under the age of 21.

This is not an endorsement.

Many Limousine Drivers in the State of Maryland must possess a passenger for hire license issued by the Public Service Commission. Most vehicles operating as a limousine must be licensed and inspected by the Public Service Commission. All drivers are finger printed and subjected to state and/or federal background investigations. Publice Service Commission agents make unannounced inspections during the prom/graduation season.
