

Facts About the Silver Spring Garage 21 Renovations

What:

- Starting on or about January 1, 2010 all 585 parking spaces in the **Spring-Colesville Garage (Public Parking Garage 21)** with entrances on Spring Street, and Cameron Street will be closed for renovations for **approximately 24 months**.

Why:

- The garage has experienced deterioration and requires restoration and upgrading. The newly restored garage will include: new floor slabs, elevators, stairs, electrical, plumbing, and new brick exterior.
