

T&E COMMITTEE #4  
June 15, 2009

**MEMORANDUM**

June 11, 2009

TO: Transportation, Infrastructure, Energy and Environment Committee

FROM: <sup>Go</sup> Glenn Orlin, Deputy Council Staff Director

SUBJECT: Supplemental appropriation to the FY09 Operating Budget, Department of Transportation and Department of General Services: snow removal/wind and rain storm clean-up, \$9,256,540 (source: General Fund)

On May 19 the County Executive requested approval of a supplemental appropriation request of \$9,256,540 for the following items:

- \$6,645,090 to cover the cost of snow removal during FY09
- \$2,611,450 to cover the cost of wind and rain storm clean-up during FY09 (including \$600,000 for anticipated clean-up costs in May and June, subsequent to his request).

The Executive's transmittal memo is on ©1-2, a draft resolution approving this request is on ©3-5, the request summary is on ©6-7, and a breakdown of the costs is on ©8-12. A table describing the list of snow and storm events to which DOT responded in FY09 is on ©13-14. A public hearing was held on June 9, 2009, but there were no speakers.

**Council staff recommendation: Approve the Executive's request.** Executive Branch staff will be on hand to answer questions. Council action is tentatively scheduled for June 23.

OFFICE OF THE COUNTY EXECUTIVE  
ROCKVILLE, MARYLAND 20850

Isiah Leggett  
County Executive

MEMORANDUM

May 19, 2009

TO: Phil Andrews, President, County Council

FROM: Isiah Leggett, County Executive 

SUBJECT: Supplemental Appropriation #09-266 to the FY09 Operating Budget  
Snow Removal/Wind and Rain Storm Cleanup  
Department of Transportation - \$6,645,090  
Department of General Services - \$2,611,450

I am recommending a supplemental appropriation to the FY09 Operating Budget of the Departments of Transportation and General Services in the total amount of \$9,256,540 for snow removal and wind and rain storm cleanup. This appropriation funds snow removal and wind and rain storm clean up during FY09.

This increase is needed because expenditures for snow removal and wind and rain storm cleanup exceed the FY09 appropriation by \$9,256,540. As in previous years, due to the unpredictability of snow events, as a matter of practice, only a minimal amount is budgeted for snow removal operations. After review of actual expenses related to staff overtime, contractual services, and materials usage, a supplemental appropriation is requested.

- a. During the winter of 2008-2009, Montgomery County experienced 21 snow/ice events with total accumulation of approximately 14 inches. While some of the events did not result in plowing, both County and contractual personnel were required to report and/or be on standby and equipment was ready and made available based on weather forecasts. The total cost associated with snow removal operations was \$10,636,301, of which \$2,939,370 was budgeted.
- b. Wind and rain storm cleanup expenditures to date are \$1,548,864, of which \$589,260 was budgeted.

Phil Andrews, President, County Council  
May 19, 2009  
Page 2

- c. In addition to expenditures incurred to date, this supplemental appropriation provides \$600,000 to cover wind and rain storm cleanup costs that we expect to incur in April, May, and June of 2009. Damage from wind and rain storms is unpredictable, with the bulk of the cleanup historically required from April through September.

I recommend that the County Council approve this supplemental appropriation in the amount of \$9,256,540 and specify the source of funds as General Fund Undesignated Reserves. This supplemental will reduce County General Government Fund Reserves by \$9,256,540 and is consistent with our assumptions in the Recommended Budget and the fund balance policy for tax supported reserves.

I appreciate your prompt consideration of this action.

IL:bm

Attachment: Supplemental Appropriation #09-266

- c: Arthur Holmes, Director, Department of Transportation  
David Dise, Director, Department of General Services  
Joseph F. Beach, Director, Office of Management and Budget

Resolution No: \_\_\_\_\_

Adopted: \_\_\_\_\_

COUNTY COUNCIL  
FOR MONTGOMERY COUNTY, MARYLAND

By: Council President at the Request of the County Executive

SUBJECT: Supplemental Appropriation #09-266 to the FY09 Operating Budget  
Montgomery County Government  
Snow Removal/Wind and Rain Storm Cleanup  
Department of Transportation - \$6,645,090  
Department of General Services - \$2,611,450

Background

1. Section 307 of the Montgomery County Charter provides that any supplemental appropriation shall be recommended by the County Executive who shall specify the source of funds to finance it. The Council shall hold a public hearing on each proposed supplemental appropriation after at least one week's notice. A supplemental appropriation that would comply with, avail the County of, or put into effect a grant or a Federal, State or County law or regulation, or one that is approved after January 1 of any fiscal year, requires an affirmative vote of five Councilmembers. A supplemental appropriation for any other purpose that is approved before January 1 of any fiscal year requires an affirmative vote of six Councilmembers. The Council may, in a single action, approve more than one supplemental appropriation. The Executive may disapprove or reduce a supplemental appropriation, and the Council may reapprove the appropriation, as if it were an item in the annual budget.
2. The County Executive has requested the following FY09 Operating Budget appropriation increases for the Department of Transportation and the Department of General Services:

	<u>Personnel Services</u>	<u>Operating Expenses</u>	<u>Capital Outlay</u>	<u>Total</u>	<u>Source of Funds</u>
Department of Transportation	\$1,412,370	\$5,232,720	\$0	\$6,645,090	General Fund Undesignated Reserves
Department of General Services	\$128,590	\$2,482,860	\$0	\$2,611,450	General Fund Undesignated Reserves

3. This increase is needed because expenditures for snow removal and wind and rain storm cleanup exceed the FY09 appropriation by \$6,645,090 in the Department of Transportation and \$2,611,450 in the Department of General Services. As in previous years, due to the unpredictability of snow events, as a matter of practice, only a minimal amount is budgeted for snow removal operations. After review of actual expenses related to staff overtime, contractual services, and materials usage, a supplemental appropriation is requested.
  - a. During the winter of 2008-2009, Montgomery County experienced 21 snow/ice events with total accumulation of approximately 14 inches. While some of the events did not result in plowing, both County and contractual personnel were required to report and/or be on standby and equipment was ready and made available based on weather forecasts. The total cost associated with snow removal operations was \$10,636,301, of which \$2,939,370 was budgeted.
  - b. Wind and rain storm cleanup expenditures to date are \$1,548,864, of which \$589,260 was budgeted.
  - c. In addition, this supplemental appropriation provides \$600,000 for clean-up that the Departments of Transportation and General Services anticipate incurring in April, May, and June of 2009.
4. The County Executive recommends a supplemental appropriation to the FY09 Operating Budget in the amount of \$6,645,090 for the Department of Transportation and \$2,611,450 for the Department of General Services for snow removal and wind and rain storm cleanup and specifies that the source of funds will be General Fund Undesignated Reserves.
5. Notice of public hearing was given, and a public hearing was held.

Action

The County Council for Montgomery County, Maryland, approves the following action:

A supplemental appropriation to the FY09 Operating Budget of the Department of Transportation and the Department of General Services is approved as follows:

	<u>Personnel Services</u>	<u>Operating Expenses</u>	<u>Capital Outlay</u>	<u>Total</u>	<u>Source of Funds</u>
Department of Transportation	\$1,412,370	\$5,232,720	\$0	\$6,645,090	General Fund Undesignated Reserves
Department of General Services	\$128,590	\$2,482,860	\$0	\$2,611,450	General Fund Undesignated Reserves

This is a correct copy of Council action.

---

Linda M. Lauer, Clerk of the Council

5

**OPERATING BUDGET**

**SUPPLEMENTAL OR SPECIAL APPROPRIATION REQUEST SUMMARY**

1. Please fill in the following table:

Agency	County Government
Department	Department of Transportation and Department of General Services
Fund (County Government only)	General Fund Undesignated Reserves
Fiscal year	FY09
Supplemental or Special	Supplemental
Operating or Capital budget	Operating

2. What is the amount and source of funding?

Source of funding (Please list sources)	Amount
Undesignated Reserves	\$9,256,540
Total request	\$9,256,540

3. Is the request one-time or continuing? If continuing and funded by a grant, what will you do when the grant ends? One time

4. Please provide a brief description, justification, expected outcomes, and how the outcomes will be measured. This supplemental is for snow and wind and rain storm clean up.

5. Please explain why you did not request this during the annual budget process.

Snow removal and storm damage clean up costs are funded with a supplemental appropriation every year.

6. For your agency, what is the current fiscal year budget for the relevant fund and what is the latest estimate? (do not fill out if the appropriation is funded entirely by a non-County grant)

Budget for current fiscal year for the relevant fund	0
+ Supplemental/special appropriations already approved	0
= Revised budget for current fiscal year	0
Latest estimate of spending for current year	0

7. County Government only: For your department or fund, whichever is applicable, what is the current fiscal year budget and what is the latest estimate? (do not fill out if the appropriation is funded entirely by a non-County grant)

Department of Transportation

Budget for current fiscal year for the department:	48,747,030
+ Supplemental/special appropriations already approved	0
= Revised budget for current fiscal year (Includes transfers from Comp. NDA and other transfers)	47,831,840
Latest estimate of spending for current year	53,325,160

Department of General Services

Budget for current fiscal year for the department:	28,321,280
+ Supplemental/special appropriations already approved	100,000
= Revised budget for current fiscal year (Includes transfers from Comp. NDA and other transfers)	28,431,490
Latest estimate of spending for current year	30,333,460

**Subject:** FW: Snow - Wind/Rain Activity Log

Glen:

Below is a log of major incidents that Highway addressed.

Additionally, you will see a number of line items noted as "Lead Depot". This is after hours and due of the nature of the threat being forecast (i.e. 50mph winds over a prolonged period or heavy rain with flooding forecast) we determine that a Lead Depot should be assigned including a supervisor and a workforce; the size of which depends on the nature of the forecast. In this case, all ECC calls are forwarded directly to the lead depot.

Finally, Highway responded to 255 calls (to date) after hours with our Person in Charge (PIC) status related to either snow or wind and rain. In the case of the Person In Charge (PIC), all calls from the ECC are forwarded to our PIC phone (rotates among key staff) who in turn, determines the magnitude of the problem and mobilizes appropriate staff to resolve.

**FY09 Weather Events**

<b>Event #</b>	<b>Date</b>	<b>Status*</b>	<b>Weather Forecast</b>
1	December 6-7, 2008	SOC activation	Light snow – 1-2 inches possible
2	December 12, 2008	SOC activation	1-2" Rain changing over to snow
3	December 16-17, 2008	SOC activation	NWS-significant ice accumulations
4	December 20-21, 2008	SOC activation	Sleet/freezing rain, 0.10-1.0 accumulation
5	December 24, 2008	SOC activation	Freezing rain
6	January 3, 2009	SOC activation	Rain turning to Snow, 1" accumulation
7	January 4, 2009	SOC activation	Snow 1"-2" accumulation
8	January 5, 2009	SOC activation	Light Snow
9	January 6-7, 2009	SOC activation	NWS-Ice accumulations may exceed 1/4".
10	January 8-9, 2009	SOC activation	Spotty icing upcounty, Heavy Rain/High Wind Advisory
11	January 10, 2009	SOC activation	Light snow
12	January 15, 2009	SOC activation	Light snow
13	January 19, 2009	SOC activation	Snow, 1"-3" accumulation

6/10/2009

(13)

14	January 27-28, 2009	SOC activation	Snow, 4"-8" accumulation, plus 1/4-1/2" Ice
15	February 3, 2009	SOC activation	Snow 1"-3" Late Monday Night
16	February 4, 2009	SOC activation	Snow 1"-2" early morning
17	February 5, 2009	SOC activation	Snow Showers
18	February 12, 2009	SOC activation	High Wind and Rain Severe Thunderstorm
19	February 18, 2009	SOC activation	Mix of Snow and Freezing Rain
20	February 19, 2009	SOC activation	High Wind 45 MPH Gusts
21	March 1, 2009	SOC activation	6"-8" Snow Accumulation
22	April 3, 2009	Lead Depot Status	High Wind, Heavy Rain and Severe Thunderstorm
23	April 11, 2009	Lead Depot Status	High Wind, Heavy Rain and Severe Thunderstorm
24	April 13, 2009	Lead Depot Status	High Wind, Heavy Rain and Severe Thunderstorm
25	May 07 2009	Lead Depot Status	High Wind, Heavy Rain and Severe Thunderstorm
26	May 25, 2009	SOC activation	High Wind, Heavy Rain and Severe Thunderstorm
27	June 5, 2009	Lead Depot Status	High Wind, Heavy Rain and Severe Thunderstorm
28	June 9, 2009	Lead Depot Status	High Wind, Heavy Rain and Severe Thunderstorm
