

Interviews

MEMORANDUM

November 24, 2015

TO: Planning, Housing, and Economic Development (PHED) Committee
FROM: Linda Lauer, Clerk of the Council 
SUBJECT: Interviews for the Bethesda Urban Partnership, Inc. Board of Directors

The term of Andy O'Hare as the Council's nominee to the Bethesda Urban Partnership (BUP) Board of Directors has expired. Mr. O'Hare has served two terms on the Board and is ineligible for reappointment.

Eight applications have been received for the position of representative who lives in a residential community outside of, but in close proximity to, the urban district. The Council is required to recommend three candidates to the County Executive, and he will select one member for the BUP Board from the Council's recommendations.

The PHED Committee will interview the following applicants on **Monday, November 30 at 2:00 p.m., 3rd floor conference room:**

Stephanie M. George ©1
Julian Mansfield ©14
Andrea Witt ©18

The PHED Committee will interview the following applicant on **Tuesday, December 1 at 2:45 p.m., 3rd floor conference room:**

Deborah Michaels ©16

BUP is responsible for the maintenance of streetscape and streetscape amenities; the promotion and implementation of special events and marketing initiatives; and other similar activities. The Board directs all aspects of the Urban District program including management of the contract for the County to run the Transportation Management District (Bethesda Transportation Solutions) and serves the community in the provision of Urban District services.

The 11-member Board includes the following: two members nominated by the Bethesda-Chevy Chase Chamber of Commerce; three members who are, or represent, owners of an optional method development; one member who is an owner, partner, proprietor, or corporate officer of a small business; one member who resides in a residential community within the Bethesda-Chevy Chase planning area and is nominated by the Western Montgomery County Citizens Advisory Board (CAB); and one member who is a resident member of the Western Montgomery County CAB and is recommended by the Board; one residential representative from an adjacent neighborhood who is nominated by the County Council; one member who lives within the Urban District; and one ex-officio, non-voting County Executive representative. Members serve three-year terms without compensation.

BETHESDA URBAN PARTNERSHIP, INC. BOARD OF DIRECTORS

Created: Montgomery County Code Section 68A-10

Purpose: The Board directs all aspects of the program, management and finances of the corporation; provides more direct involvement of the community of Bethesda in the provision of services in the Bethesda Urban District. The Board also enlists the active interest and financial support of individuals, citizens and civic groups, along with firms and corporations concerned about the improvement of the Urban District, particularly property owners, residents, customers and tenants located within the district, and provides services, in addition to services and facilities that the Montgomery County Government provides generally, for the maintenance and improvement of the streetscape and streetscape amenities on public rights-of-way, and any property that is used by the general public.

Membership: The Board of Directors of the Corporation has **11 members** which includes the County Executive or his designee as an ex-officio nonvoting member; **two representatives nominated** by the Bethesda-Chevy Chase Chamber of Commerce; **three** representatives who are, or represent, owners of an **optional method developer**; **one** representative who is an owner, partner, proprietor, or corporate officer of a **small business**; **one representative who lives in the urban district**; and **one representative of a residential community within the planning area and is nominated by the Western Montgomery County Citizens Advisory Board.**

Other members include **a representative who lives in a residential community outside of, but in close proximity to, the urban district**, who is *appointed by the County Executive from among three candidates nominated by the County Council*; and a **resident representative of the Western Montgomery County Citizens Advisory Board** who is nominated by the Board.

Financial Disclosure:

Not required

Terms: Each member serves for a period of three-years. A member may not serve more than two consecutive terms.

Meetings: Meetings are held the third Tuesday of every month at 7:45 a.m., with the exception of August and December.

Staff: David Dabney, Executive Director, Bethesda Urban Partnership, Inc.,
7700 Old Georgetown Road, Bethesda, 20814 - 301-215-6660

ROCKVILLE, Md., October 29, 2015—The Montgomery County Council is seeking applicants to fill an expired term on the Bethesda Urban Partnership Board of Directors. Andy O'Hare's second term has expired and he is ineligible to apply for reappointment.

Letters of application must be received no later than 5 p.m. on Wednesday, Nov. 18.

This position is open to applicants who live in a residential community outside of, but adjacent to, the Bethesda Urban District. The Council will recommend three candidates to County Executive Ike Leggett, and he will select one to serve on the board.

The Bethesda Urban Partnership is responsible for the maintenance of streetscape and streetscape amenities; the promotion and implementation of special events and marketing initiatives; and other similar activities. The board directs all aspects of the Urban District program including management of the contract for the County to run the Transportation Management District (Bethesda Transportation Solutions) and serves the community in the provision of Urban District services.

The 11-member board includes the following: two members nominated by the Bethesda-Chevy Chase Chamber of Commerce; three members who are, or represent, owners of an optional method development; one member who is an owner, partner, proprietor or corporate officer of a small business; one member who resides in a residential community within the Bethesda-Chevy Chase planning area and is nominated by the Western Montgomery County Citizens Advisory Board; one member who is a resident member of the Western Montgomery County Citizens Advisory Board and is recommended by the board; one residential representative from an adjacent neighborhood who is nominated by the County Council; one member who lives within the Urban District; and one ex-officio, non-voting County Executive representative.

The board currently meets on the third Tuesday of every month at 7:45 a.m. Members serve three-year terms without compensation. Members of County boards, committees and commissions may not serve on more than one such group at a time.

Applicants should submit letters of interest with a resume to: George Leventhal, President, Montgomery County Council, 100 Maryland Avenue, Rockville, Maryland 20850. Applications also can be submitted via email to county.council@montgomerycountymd.gov.

Letters of application must be received no later than 5 p.m., Wednesday, Nov. 18. It is the Council's policy not to consider applications received after the deadline. The names of all applicants are published and resumes made available for public review.

#

November 18, 2015

Mr. George Leventhal
President, Montgomery County Council
100 Maryland Avenue,
Rockville, Maryland 20850.

Dear Mr. George Leventhal,

My name is Stephanie George, and I am applying for the open seat on the Board of Directors for Bethesda Urban Partnership. I am trained in Epidemiology, Public Health, and Communication, and my family and I reside on the border of the Bethesda Urban District.

During my doctoral studies at Yale University, I became interested in the intersection of design and disease and the partnerships necessary to develop and enhance healthy communities. Currently, I am a Senior Epidemiologist in the Office of Disease Prevention at the National Institutes of Health. As part of my responsibilities, I study and direct research on ways communities, through their design, events, and policies, can promote physical activity, nutrition, healthy weight, and well-being. I am also a competitive marathon runner and through my road racing and training am familiar with the trails and transportation aspects of the Bethesda Urban District. As a mother of three small children, I am proud to reside in this walkable, urban community. My family and I and our basset hound travel by foot frequenting regular amenities and special events in the Bethesda Urban District. I think I could add a complementary academic background to the Board and could also represent the perspectives and concerns of young families and those who utilize our walkable community for athletic pursuits or active transportation.

I have experience serving in the capacity of a board member, have excellent interpersonal skills, and began my career as a behavioral scientist developing evidence-based health promotion messages. For my children's daycare, Parents of Preschoolers, Inc., I have served in this capacity as part of the Health and Safety Committee since 2011. During my tenure on this committee, I have worked with administration, parents, industry, and the NIH community on various initiatives to improve the community. These include designing menus in line with the Dietary Guidelines for Americans and developing and implementing plans to have these nutritious foods ordered, cooked and served to children and staff at our center. I have also been part of efforts to develop helmet and vaccine policies, and have worked with local police to enhance parent, staff and visitor awareness of driving safety within the NIH campus. In addition, during outbreaks of contagious disease, my committee was called upon to advise administration on best practices for preventing future spread of disease.

I would be honored and happy to provide my service to this community.

Thanks in advance for your consideration.

Best,

Stephanie M. George, PhD, MPH, MA

Julian P. Mansfield

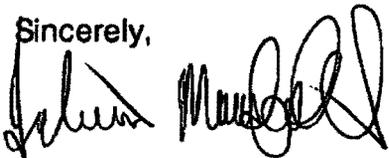

The Honorable George Leventhal, President
Montgomery County Council
100 Maryland Avenue
Rockville, MD 20850

Dear Mr. Leventhal:

I am pleased to submit my name for consideration to serve as a residential representative on the Board of Directors for Bethesda Urban Partnership. As a longtime resident of East Bethesda (nearly 20 years) and alum and current parent at B-CC High School, I have seen many changes here over the years, and I certainly have a vested interest in the continued success and vitality of the Bethesda area. I believe my experience as Village Manager with the Village of Friendship Heights, along with my volunteer activities at other organizations, would be beneficial to the Board.

I have attached my resume. Thank you in advance for your consideration—I would welcome the opportunity.

Sincerely,

A handwritten signature in black ink, appearing to read "Julian Mansfield", written in a cursive style.

Julian Mansfield

JULIAN P. MANSFIELD

WORK EXPERIENCE

Village of Friendship Heights (July 1990-present)—4,600 pop., \$2.1 million budget

George Leventhal
President, Montgomery County Council
100 Monroe Street,
Rockville, MD 20850

RE: Bethesda Urban Partnership, Inc. Board of Directors for a residential representative from the Bethesda planning area (inside the Beltway).

Dear Mr. Leventhal,

As an almost 15 year resident, living adjacent to the Bethesda CBD, I ask that you consider my application for the Board Vacancy with Bethesda Urban Partnership.

I am an active participant and Community Leader in Bethesda, and have a good understanding of the involvement necessary within one's Community to enhance its livability, while maintaining a fun and safe environment for all.

Volunteering and participation have given me the opportunity to interact with government, institutions, business and neighborhoods in Montgomery County and the surrounding area. I am a proponent of alternative transportation solutions and pedestrian safety while considering the need for strong business relationships in supporting the ongoing growth of our urban area.

Thank you for your consideration.

Sincerely,

Deborah Michaels

Community Service and Social responsibility have and continue to be key elements in my everyday life through both my career and volunteer years.

- 1974 Graduated Mohawk College, Hamilton, Ontario, Canada
 Recreation Leadership Programme

- 2002 – 2010 President, Glenbrook Village Homeowners Association
2010 – 2012 Board Member, Glenbrook Village Homeowners Association

- 2003-Present Member of the NIH Community Liaison Council
2011-Present Member of the NIH Community Liaison Council Agenda Committee

- 2004-Present Supporter and Core Volunteer with A Wider Circle. A local nonprofit with a
 purpose to end poverty as we know it.

- 2007 – 2012 Member of the Montgomery County BRAC Implementation Committee
2012-Present Member of the BRAC Integration Committee

- 2007 – 2012 Member of the Coalition for Military Medical Center Neighbours

- 2010-Present Member of the Woodmont Triangle Advisory Group

- 2011-Present Chair of the Bethesda Transportation Advisory Committee

- 2014-Present Committee Member with the NIH Institutional Bio-Safety Committee

November 3, 2015

George Leventhal, President
Montgomery County Council
100 Maryland Avenue
Rockville, Maryland 20850

Dear Mr. Leventhal,

I am applying for the Residential Representative from the Neighborhood Adjacent to the Urban District for the Bethesda Urban Partnership (BUP).

I have been a resident of Bethesda since April 1994 and I own two properties in Bethesda. I am an active member of my community, not just in volunteer time and as a resident representative, but I keep in close contact with my neighbors on Huntington Parkway, as well as friends and neighbors in residential areas in other parts of Greenwich Forest, Battery Park, Edgemoor and East Bethesda. I have two daughters, one of whom graduated from Whitman High School in 2014 and another who currently is a sophomore at Whitman (they attended Bethesda Elementary and Pyle Middle School). My husband and I also are helping to raise our two nieces, both of whom currently attend Bradley Hills Elementary School and live with their mother through our financial support. In addition, two years ago, my father in law moved to the area to live closer to us, and he currently resides in The Metropolitan in downtown Bethesda. Looking at Bethesda through not only my eyes, but through those of a teenager, a young adult, a senior citizen, and a family with modest means, I believe I bring a personal and varied perspective to the table.

My own experience with Bethesda is always evolving. I commuted to work in Washington, DC from Bethesda for fourteen years, walking, riding the buses, and taking the Metro. My commute included towing my small children everywhere with me. My husband rides his bike on the Capital Crescent Trail daily to get to work near Capitol Hill. I know the traffic problems, the pedestrian issues, the shops, the restaurants, the good, the bad, the old and the new of Bethesda. I have attended community forum meetings on the more recent development proposals for Bethesda. I have suggested ideas and reached out to Mr. Berliner when I had questions or concerns. I enjoy attending the Community Liaison Council meetings at NIH. Through the Council, I have learned more about NIH and the neighboring communities, and it is through this organization that I have grown to be more informed and interested in the development of Bethesda.

I love living in Bethesda and we do not have any intentions of moving any time soon. I would feel honored to be a member of the Bethesda Urban Partnership. I know enough people in the communities that surround the Bethesda Urban District and am confident I can represent their perspectives.

Thank you for your consideration.

Sincerely yours,

Andrea C. Witt
