HIGHLIGHTS

American Farmland Trust is launching two forward-looking campaigns to help American farms protect the environment and grow local foods, leading our nation to a healthier future: The **Agriculture & Environment** campaign and the **Growing Local** campaign.

[Find out more.](#)

Case Studies for Transit-Oriented Development, a report prepared for Local Initiatives Support Corp. by Reconnecting America, is a

short summary of the TOD tools that are used by communities all across the country.

[Find out more.](#)

This Is Smart Growth

is a full-color booklet describes how, when done well, development can help create more economic opportunities, build great places where people want to live and visit, preserve the qualities people love about their communities, and protect environmental resources.
