

Leaf Vacuuming District Expansion

Timeline

Date:

Notes:

- The timeline shows maximum time limits.
- Petition may be submitted any time before April 15
- All deadlines will be based upon submittal date.
- The DOT Director will then verify that the petition meets the minimum criteria established in the Regulation. He then has 120 days from the date of verification to hold public meeting.

* Example dates based on service to begin Nov-Dec 2002

XXX Is the undefined time to verify that the petition meets the minimum criteria. Should only require a few weeks to verify

OOO Is the undefined time for DOT to implement the logistics of including the approved neighborhood into the leaf collection schedule.
