19A.17.01.01 Purpose.

Montgomery County's Public Ethics Law identifies with specificity certain County positions the occupants of which are required to file financial disclosure statements. The law also authorizes the County Executive to designate additional positions by regulations issued under method (2) after finding that filing a financial disclosure report is desirable to promote the trust and confidence of [the]citizens in their County government. This regulation implements the law and identifies statutory and County Executive-designated positions required to file financial disclosure statements.

19A.17.01.02 Definitions.

CAO means the Chief Administrative Officer or designee.

County Agency or **Agency** has the same meaning ascribed to it in Chapter 19A of the Montgomery County Code.

Public Employee or employee has the same meaning ascribed to it in Chapter 19A of the Montgomery County Code.

19A.17.01.03 Requirement.

A. **Public employees who must file annually.** A public employee holding one of the positions identified in the attached schedule at the end of the calendar year must file a sworn annual financial disclosure statement (public, limited public (LP), confidential, or any other statutorily mandated type of filing) for that calendar year under the Public Ethics Law, Article IV, Financial Disclosure. Positions designated as "LP" must file a limited public annual financial disclosure statement under § 19A-17(a)(6), and, if indicated, a confidential financial disclosure statement.

B. **Initial Financial Disclosure Statement. A public employee** entering a position on the attached schedule must file an initial financial disclosure statement under § 19A-18(f)(1) within 15 days after the employee begins service in the position, unless, without a break in the continuity of service, the employee's immediate prior position was a filing position in the same Agency. The CAO must submit to the Ethics Commission the identity, position number, job class/working title, user name, email address, Agency, designated reviewer and type of filing required for each public employee who must file an initial financial disclosure statement.

C. **Final Financial Disclosure Statement.** On or before the employee's last day in the filing position, the employee must submit a final financial disclosure statement under § 19A-18(f)(2). The CAO must submit to the Ethics Commission the identity, position number, and Agency of any public employee leaving a position on the attached schedule.

D. **Designations of newly identified filing positions/Waivers of filing requirement.** The CAO must submit to the Ethics Commission the identity, position number, job class/working title, user name, email address, Agency, designated reviewer, and type of filing for each public employee who must file an initial financial disclosure statement under Section 19A -18(f)(1) even though the employee or the employee's position is not identified on the attached schedule. The CAO shall submit this information to the Ethics Commission immediately after a determination is made that the employee or the employee's position meets the criteria for filing a financial disclosure statement under Section 19A-17(c) Also, the CAO may, for positions given filing status by County Executive designation (rather than by the Montgomery County Code), waive the filing requirement for an employee whose duties no longer meet the criteria for being a filer. The CAO should submit the identity, position number, and Agency to the Ethics Commission immediately after a determination is made that the employee or the employee's position no longer meets the criteria for filing a financial disclosure statement under Section 19A-17(c). All changes to a public employee's filing status made by the CAO must be evidenced by a memorandum attached to the employee's personnel record.

E. **Effective Date Of Determination.** A determination that an employee's position is deemed to no longer meet the criteria for filing a financial disclosure statement shall become effective once the employee files a final financial disclosure statement.

F. **Annual Update.** In the next annual issuance of the Montgomery County Regulation on Financial Disclosure Statements Executive Branch, all new designations of positions and waivers of filing requirements made since the last issuance of the regulation should be recommended by the CAO for inclusion in or deletion from the schedule attachment identifying all filing positions.

G. **Voting Members.** Members of identified boards, commissions, and committees required to file include all voting members, regardless of whether the member is appointed ex-officio.
