FIRE CHIEF'S GENERAL ORDER

Rescinded on 4/19/12

NUMBER: 11-06

April 29, 2011

TO: All MCFRS Personnel
FROM: Fire Chief Richard R. Bowers 
SUBJECT: Maryland Medical Protocol Update

This is a reminder that all personnel **must** complete the MIEMSS Medical Protocol update **by June 1, 2011**. The two different levels of the Protocol update are based on your level of certification: either BLS or ALS. MCFRS personnel must complete the appropriate MIEMSS Medical Protocol update by either of the two methods indicated below:

1. The **on-line method** may be accessed at **www.MIEMSS.org**. The directions for completing the update by this method are found on that site.
2. The update may also be completed by **attending an instructor-led session at the worksite**. A Maryland Medical Protocol Update DVD, containing **both BLS and ALS versions**, along with a copy of the sign-in attendance sheet, will be provided by the PSTA's ALS Training Officer to all worksites. **To receive credit for completing the update, all personnel who attend must complete and return that sign-in attendance sheet to Nurse Clinician Linda Arapian at the PSTA.**

Disciplinary action may be taken against those who fail to meet this State-mandated Protocol update.

Questions may be addressed to the EMS Section Chief.

This Fire Chief's General Order supersedes FCGO 10-04.
