

MCFRS Chief Officers Annual Meeting 2018

Division of Volunteer and Community Services

2018 Annual MCFRS Chiefs Meeting

ACCOMPLISHMENTS CY2017

- Hired Community Educator Oscar Mendez
- Car Seat Program revamped increasing efficiency
- Still have over 1000 IECS volunteer providers
- Averaging over 115 new volunteers per quarter
- Averaging 130,000 hours of standby per quarter
- Averaging 3000 hours of in station drills/training per quarter
- Home Safety Inspection Program averages 500 visits per quarter, with over 700 smoke detectors

ACCOMPLISHMENTS CY2017

- 270 Batteries replaced
- 120 Carbon Monoxide Detectors installed
- 24 Public Education Seminars Conducted
- Processed 1000 Volunteer Physicals
- Processed 460 Back Ground Checks/Fingerprinting
- Managed Command Competency Scheduling for all Volunteer CCO's
- LFRD's use of Amoss and EMST to improve stations and purchase apparatus

Where Can We Improve??

- Retention, accepted 460 new volunteers in CY17, but lost 320 existing volunteers for a net total of 140 new volunteers.
- Staff Additional units/increased staffing at several LFRDs
- Grow your replacements! When you are gone will your LFRD survive?
- Groom your line officers.

Challenges

- Loss of LOSAP Administrator Linda Dowdy
- Loss of Car Seat Manager Emily Crown
- Budget
- Multiple staff doing multiple jobs causing delays and over load until all positions are filled

THANK YOU

- Thank you to all the Chief Officers for working together and making MCFRS a **Leader** in the Combination Fire Service Industry!
