SUBJECT: Timesheet Codes for ALS Provider Differential

Section 17.2 of the Collective Bargaining Agreement for the years July 1, 2005 through June 30, 2008 establishes pay differentials for ALS providers who were hired after July 1, 2005. These employees are to receive a \$3000 annual differential, and an hourly differential based upon the number of years they have been certified to provide ALS for Montgomery County. The hourly differential applies only to the hours the individual is assigned to ride an ALS transport unit. The timesheet codes for these differentials are:

ER1	0-4 years certification
ER2	5-8 years certification
ER3	8+ years certification

An employee assigned to an ALS transport unit on overtime will receive the hourly differential at an overtime rate. The timesheet codes for the differentials while working overtime are:

EO1	0-4 years certification
EO2	5-8 years certification
EO3	8+ years certification

Questions should be directed to Administrative Services Division.
