

MONTGOMERY COUNTY FIRE AND RESCUE SERVICE
MONTGOMERY COUNTY, MARYLAND

INFORMATION BULLETIN

NUMBER: 07-04

February 20, 2007

SUBJECT: EMS Provider of the Month Program

In order to recognize those MCFRS employees and volunteers whose performance goes above and beyond their normal duties, the MCFRS EMS Section will reinstitute the *EMS Provider of the Month* program. We know that MCFRS personnel provide the highest quality of pre-hospital care to the citizens and visitors of Montgomery County every day. Often, the level of that care significantly exceeds the high standards normally in place. We would like to recognize those EMS care providers who go that extra mile.

Each month, an award will be given to one Basic Life Support provider/crew, and one Advanced Life Support provider/crew. An MCFRS individual of any rank may submit a recommendation by completing the nomination form available on *Quicklinks* under the EMS Section. The criteria for nomination and selection are also provided on that site.

Please submit your nominations, and help us to acknowledge our colleagues' superior performance.

For additional information, please call Battalion Chief Diane Zuspan 240-777-2453.

Issued by: Assistant Chief Mike McAdams
