

**MONTGOMERY COUNTY FIRE AND RESCUE SERVICE  
MONTGOMERY COUNTY, MD**

**INFORMATION BULLETIN**

**NUMBER: 11-01**

**February 23, 2011**

**TO:** All MCFRS Personnel

**SUBJECT:** 2011 U.S. Open Championship Golf Tournament

MCFRS will provide emergency services coverage during the U.S. Open Championship Golf Tournament, scheduled for June 9 – 19, 2011, at Congressional Country Club. The Department is seeking personnel who would like to provide service at this event.

This year's Tournament will be one of the largest special events occurring in Montgomery County in 2011 -- roughly *twice* the size of the previous Tiger Woods AT&T Golf Tournaments. Because of this Tournament's larger scope, MCFRS will need to provide additional services on site each day, requiring the assistance of both career and volunteer personnel.

Career personnel who would like to staff a unit must complete and email the attached Personnel Sign-up form to [Fire.PlansDFRS@montgomerycountymd.gov](mailto:Fire.PlansDFRS@montgomerycountymd.gov).

Volunteer personnel who would like to staff the event must email Captain Corinne Mann, CJPVFD, at [Corinne.mann@montgomerycountymd.gov](mailto:Corinne.mann@montgomerycountymd.gov).

***All responses must be received by 1700 hours on April 29, 2011.***

Please direct any questions to Assistant Chief Scott Goldstein at 240-777-2464.
