TO: All MCFRS Personnel 

FROM: Fire Chief Thomas W. Carr, Jr.

SUBJECT: Amendments to Policy and Procedure 512: Promotion Procedure

**This General Order affects only Merit System Personnel in the Firefighter/Rescuer Occupational Series.**

It has been determined that the information provided by the Fire Officer III course is most applicable to the work associated with the rank of Assistant Chief. Accordingly, Section 7 of Policy and Procedure 512 has been amended with the following changes:

1. The Fire Officer III course is **deleted** as a requirement for the rank of Fire/Rescue **Battalion Chief**, and
2. The Fire Officer III course is **added** as a requirement for the rank of Fire/Rescue **Assistant Chief**.

The changes are *prospective only*, and do not apply to incumbent Fire/Rescue Assistant Chiefs, or to those personnel who are on the current Fire/Rescue Assistant Chief eligibility list.

Policy and Procedure manual holders are directed to remove and destroy the current attachment associated with Section 7 of Policy and Procedure 512, and replace it with the new attachment for Section 7 that is being provided with this General Order.
