## Explore Tech Series for Older Adults (FREE)

This series offers lectures on popular technology topics.

Each one features a brief presentation, followed by Q&A.

**All workshops meet 9:30 – 10:45 am**

### February 15<sup>th</sup> - Introduction to Social Media

In this presentation, you'll get an introduction to social media and learn about some of the more popular social media sites like Facebook, Twitter, and LinkedIn.

### March 1<sup>st</sup> - How to Choose a New Computer

Looking for a new computer? This informational session addresses some of the most common questions surrounding how to choose a new computer: Where to start? What's a reliable brand? How much should you budget? What technical specifications? You'll also learn about operating systems and compare alternatives to the traditional computer, e.g. tablets and Chromebooks.

### March 15<sup>th</sup> - Protecting Your Personal Information Online

This presentation will cover the ins and outs of how to protect your personal information online, like safe browsing, how to recognize online scams, and when it's OK – or not – to share your personal information online.

***Workshops designed for adults 50+***
