A Guide to the **GET-IN** Program

MONTGOMERY COUNTY EMPLOYEES TRANSIT INCENTIVES PROGRAM

You Do Have a Choice: **JOIN GET-IN!**

Receive A Subsidy

Get \$35 per month for riding public transportation, commuter rail or vanpooling.

Save Money

If you carpool or vanpool, share the expense of riding when you share the ride.

Save Time

Driving time is down time, but riding time can be put to good use. Ride to work and use the extra time to read, relax, catch up on paperwork, talk, nap, enjoy the view, or whatever you like!

Have Fun

Most people find that riding to work with others is more enjoyable than riding alone.

Beat the Stress of Commuting

Arrive at work refreshed and ready for the workday.

Benefit Your Community & Yourself

Ride-sharing or taking public transportation helps to reduce traffic congestion, fuel wastage, traffic deaths, air pollution and the number of tax dollars spent every year on maintaining roads.

What Is the **GET-IN** Program?

GET-IN is a special transportation incentive program just for County employees! It offers a \$35 monthly discount for switching from driving alone to public transportation, commuter rail or vanpools.

When you join, you can purchase at a discount various Metro and commuter rail fare media or receive a rebate of \$35 to offset the cost of monthly vanpool fees.
