RSP, DCP (457) & GRIP – Highlights New Features

The Board of Investment Trustees has added new features to your retirement plan that will make it easier for you to pursue your retirement savings goals. Whether you have been saving for years or just getting started, the new Plan features provide the tools you need to help you prepare for the retirement you envision.

Fidelity will be conducting group and one-on-one meetings throughout the County to help answer your questions about the transition. Shown below is the schedule of dates and locations of group meetings that will be starting November 27, 2012 and continuing through January 10, 2013.
