**WHAT IS THE LATEST ON THE FEDERAL EXECUTIVE BRANCH'S
ENFORCEMENT OF IMMIGRATION LAWS?**

On February 20, 2017, the Secretary of Homeland Security released memos on [interior enforcement](#) and [border security](#) that officially implement recent executive orders regarding immigration enforcement. Effective immediately, the memos expand deportation enforcement priorities and expedited removal, threaten protections for unaccompanied minors, and restore multiple programs that request state and local law enforcement agencies to assist in enforcing federal immigration laws. The memos also

instruct federal agencies to identify and allocate funding for a border wall and begin the immediate hiring of 10,000 more ICE agents, 5,000 border patrol agents, and 500 air and marine agents. Read the American Immigration Lawyers Association (AILA) [Summary and Analysis of the DHS Memorandum on Interior Enforcement](#) and [Summary and Analysis of the DHS Memorandum on Border Enforcement](#).

WHAT DO THE FEDERAL EXECUTIVE ACTIONS MEAN FOR ME?

The following information does not substitute for legal advice. Speak with a reputable attorney or accredited representative for legal advice.

- **Be Aware of Immigration Scams and/or Notarios!** People may attempt to offer immigration benefits or protections that do not exist. Only seek legal help from reputable legal providers. To report immigration fraud, contact:
 - [Montgomery County's Office on Consumer Protection](#): (240) 777-3636
 - [Maryland Attorney General, Consumer Protection](#): English: (410) 528-8662, Español: (410) 230-1712
 - [Federal Trade Commission](#): (877) 382-4357
 - [Executive Office for Immigration Review](#): (703) 305-0470
- **Visit these websites to find reputable legal providers:**

- **If you are undocumented:** you still have certain legal and Constitutional rights. You have a right to a hearing and the right to have a judge review your case.
 - ["Immigrants' Rights Under a Trump Presidency: FAQ's For Students, Educators & Social Service Providers"](#) ([Espanol](#)) from MALDEF provides an excellent overview of answers to common questions.

- **DACA Recipients:** The Deferred Action for Childhood Arrivals program (“DACA”) provides eligible, undocumented young people who arrived before age 16 an opportunity to remain in the U.S. and to apply for work authorization.
 - According to the Immigrant Legal Resource Center, as of February 24, 2017, DACA program is still available and the government is still accepting and approving DACA initial and renewal applications. Please read recommendations on what to do now in the ILRC’s [“DACA: Current Status and Options.”](#)
- **Refugee & Asylee Status:** If you were admitted as a refugee, you are required by law to apply for a Green Card (permanent residence) in the United States 1 year after being admitted as a refugee. As an asylee, you may, but are not required to, apply for permanent resident status after being granted asylum for 1 year. It may be in your best interest to do so. See a reputable legal service provider for help with this.
- **Legal Permanent Residents:** If you have been a permanent resident for three or more years, consult with a legal service provider about preparing to apply for U.S. citizenship. Many local programs such as [Baltimore City Community College](#), [Montgomery College](#), [CASA de Maryland](#) provide classes to prepare to become a U.S. citizen for no or low fee. If you ever have had an encounter with the police, do not apply for citizenship unless you have consulted with a licensed attorney.

DO OFFICERS OF THE MONTGOMERY COUNTY POLICE DEPARTMENT COOPERATE WITH ICE AGENTS?

"It is longstanding County policy that County police do not enforce federal immigration law. Neither will they inquire about immigration status when individuals are stopped nor target individuals based on their ethnicity, race, or religious beliefs.

"The County's law enforcement leaders are also committed to our values, and they will continue working to build trust in our community. Police Chief Tom Manger, Corrections and Rehabilitation Director Rob Green, Sheriff Darren Popkin, and State's Attorney John McCarthy are sworn to protect the rights of all residents and to treat all individuals equally."

SHOULD I STOP USING PUBLIC SERVICES TO MINIMIZE MY RISK?

- "We want people to get the help they need. I want to assure the community that the Health and Human Services Department will continue to provide services to our community as we have done in the past. There will be no changes in our response to residents who need our services and are eligible for any services that we offer. We

do not want barriers to prevent our residents from feeling safe, getting food, and finding shelter." –Uma Ahluwalia, Director, Department of Health and Human Services.

- If you have any questions regarding the impact of the executive actions on public benefits and your legal status, you should consult a reputable organization listed in Montgomery County's [Legal Immigration Service Provider Directory](#).
