

DEPARTMENT OF RECREATION

Isiah Leggett
County Executive

Gabriel Albornoz
Director

Dear Coach:

The Montgomery County Recreation Department 2013 Youth T-ball season is just around the corner. I hope you are interested in coaching a team in our league. If so, please return the enclosed roster and registration forms to the Montgomery County Recreation Department in order to confirm a team in the league this spring.

Registration begins on February 12th and ends March 29th.

Parents are encouraged to register online:

<http://recweb.montgomerycountymd.gov>

When registering online, make sure the parents put the name of the requested coach.

Practice times will be assigned towards the end of March. Practices will begin on Saturday, April 13th. All coaches are asked to be fingerprinted before the season starts. If you have previously been fingerprinted by Montgomery County Recreation Department you will not need to repeat this. All new coaches must call 240-777-6851 to schedule an appointment for fingerprints. Unfortunately other agency fingerprints, including MCPS do not transfer.

If you have any questions, please call me at 240-777-6873 or e-mail:

Andrew.fish@montgomerycountymd.gov

Here is to a great and fun season!

Sincerely,

Andy Fish
