MEMORANDUM

September 6, 2007

TO: Distribution

FROM: Jane Lawton, Tower Chair
Transmission Facility Coordinating Group (TFCG)

SUBJECT: TFCG Notice of Action for September 5, 2007 Meeting

At its meeting of September 5, 2007, the Montgomery County TFCG voted to **recommend** the following applications:

- FiberTower application to attach one 2' dish antenna at the 120' level of an existing 157' monopole on Fire Station #33 property located at 11430 Falls Road in Rockville (Application #200704-10).
- FiberTower application to attach three 14" dish antennas at the 145' level of the penthouse wall on a Pavilion Apartments building located at 5901 Montrose Road in Rockville (Application #200704-13).
- FiberTower application to attach two 14" dish antennas at the 162' and 161' levels on the penthouse wall of a Park Ritchie Apartment building located at 7600 Maple Avenue in Takoma Park (Application #200704-15).
- FiberTower application to attach one 14" dish antenna at the 158' level on the penthouse wall of a Westlake Towers building located at 7420 Westlake Terrace in Bethesda (Application #200704-20).
- Sprint/Nextel application to install three 56" antennas at the 74' level on a faux chimney to be constructed on a 58' high Garland Towers building located at 8221 Garland Avenue in Takoma Park (Application #200704-25).
- Sprint/Nextel application to replace nine 48" antennas with nine new 48" antennas at the top of a 185' monopole on the McDonnell property located at 20315 Georgia Avenue in Brookeville (Application #200707-04).

- Verizon Wireless application to attach six 47" and six 71" antennas at the 125' level of the 215' Colesville water tank located at 2201 Industrial Parkway in Silver Spring (Application #200707-22).
- Sprint/Nextel application to replace three 53" antennas at the 95' level with three new 53" antennas and add three 47" antennas at the 75' level of a 100' monopole on Wesley Grove Church property located at 23612 Woodfield Road in Gaithersburg (Application #200708-01).
- AT&T application to replace nine 48" panel antennas with six 54" panel antennas at the 104' level of the 99' Air Park water tank located at 20511 Woodfield Road in Gaithersburg (200708-05).
- Sprint/Nextel application to replace nine 48" antennas at the 150' level with nine new 48" antennas on an existing 180' lattice tower located on BSA Troop 52 property located at 16100 Darnestown Road in Dawsonville (Application 200708-06).

Recommendation conditioned on any necessary modifications to the site plan for this building.

- T-Mobile application to install three 52" antennas at the 65' level inside a new cupola to be constructed on the Churchill Senior Housing building located at 21000 Father Hurley Boulevard in Germantown (Application #200707-24).
