**2018
CABERNET SAUVIGNON**
California

WINEMAKERS NOTES:

The 2018 growing season saw abundant rains in February, with off and on sunlight throughout the Spring and Early Summer. Bud break waited long enough to insure a full fruit set. The relatively mild summer followed by extended fall sunshine and moderate heat created near-ideal conditions for winemakers to allow their fruit to accumulate flavor complexity with gradual increases in sugar levels. We were above average crop quantity, without sacrificing quality.

TASTING NOTES:

This medium brick, plum colored Cabernet highlights the varietal. Ripe Cabernet shines with intense black-cherry notes in this multi vineyard blend. The pallet has a rustic fruit expression favoring dried cherry, cassis and pomegranate notes. The wine finishes with subtle oak notes yielding a light vanilla and cocoa finish. The soft tannins provide a lengthy enjoyable finish.
