

Longevity™

**2019  
CHARDONNAY**  
California

**WINEMAKERS NOTES:**

The 2019 growing season began with some rather extreme weather. Lots of rainfall contributed to late soil moisture. The summer saw very few extreme swings in temperature, which lead to a warm consistent summer. This consistency contributed to a reserved freshness in the fruit with bright acidity retained in the ample hang time. Volumes were good, while achieving great quality.

**TASTING NOTES:**

A beautiful nose of melon, fresh pear, pineapple, and white blossom with hints of mint, yeast and sweetly toasted oak. The mouth is clean and bright, filled with flavors of honeydew and lemon. The finish is long and structured due to the great balance of acidity.

**BLEND:** 96% Chardonnay  
1% Sauvignon Blanc  
1% Pinot Grigio  
2% Mixed

**HARVEST DATE:** August, 2019

**ALCOHOL:** 13.24% by Vol.

**ACIDITY:** 6.5 g/L
