

Keg Registration

Beer keg sales must be recorded by license-holders in Maryland.

License-holders must take the following steps:

- Obtain beer keg registration booklets from the State of Maryland.
- Require identification to make sure the purchaser is 21 years of age.
- Make sure both the license-holder and purchaser fill out the registration form.
- Place the registration decal on the keg at the time of purchase .
- Keep registration forms for 30 days from the date of purchase.
- Make forms available for inspection.
- Remove the sticker after the keg has been returned.
