A great staff meeting event...

Put out one of each of the different size glasses you use at your establishment in front of each bartender. Have each fill glass to the "standard" drink size (you can use water with food coloring to avoid wasting product). Measure each out and see who comes closest. Offer a prize.

DECIDE IF YOUR ESTABLISHMENT WILL SERVE THE STANDARD SIZE, IF YOU DECIDE A BIT MORE, ADVERTISE THIS. LET THE CUSTOMER KNOW HOW MUCH THEY ARE CONSUMING WITH EACH DRINK.
