## Instructions for Abutting and Confronting Property Owners

There are two different ways to access information about Abutting and Confronting Property Owners from the Maryland State Department of Assessment and Taxation (Phone: 240-314-4500). The first is to go to the Maryland SDAT website:

<https://dat.maryland.gov/>

Click on “Real Property,” then click on “Real Property Data Search.”

(1) Select Montgomery County

(2) Select Street Address

- Enter Street Name
- Click on the SEARCH button.
- Review property addresses for those that share a common boundary and any property that faces your lot.

The second is to access this information via MCAtlas, which provides a map view that may make it easier to ascertain which properties abut and confront the subject property:

<http://www.mcatlas.org/zoning/>

- Enter the address for the subject property in the search box at the upper right side of the screen, and push “Enter.”
- With your mouse, left click on the property for which you would like to view ownership information. A red dot will appear on the property.
- Click on the “Account #” link from the left hand column to access the SDAT information for that property and view the ownership information.
- Repeat this process as necessary for all abutting and confronting properties.
