Decision of the Board: Special Exception Granted Subject to The Conditions Enumerated Below.

The Board of Appeals considered the Report and Recommendation at its Worksession on April 18, 2012. After careful consideration and review of the record in the case, the Board adopts the Report and Recommendation and grants the special exception, subject to the following conditions:

1. The Petitioner is bound by her testimony, representations and exhibits of record identified in the Hearing Examiner’s report and in this opinion;
2. The Petitioner must comply with the conditions set forth in the Memorandum of Lynn McCreary, Housing Code Inspector, Division of Housing and Code Enforcement (Exhibit 12):
a. The total habitable space in the unit measures approximately 216 square feet. Based upon occupancy requirements only one person may occupy the unit.

b. A permanently installed stove that includes top burners and a convector oven must be provided. All applicable permits must be obtained and finalized for the proper installation of said stove.

c. The double cylinder lock on the exterior door located in the bedroom must be removed.

3. Based on the record, the Board finds that there is adequate on-street parking to permit the subject accessory apartment in the absence of any off-street spaces, in accordance with Zoning Ordinance §59-G-2.00(c)(3)(ii);

4. Petitioner must occupy one of the dwelling units on the lot on which the accessory apartment is located;

5. Petitioner must not receive compensation for the occupancy of more than one dwelling unit;

6. Both the Petitioner, as trustee of the Marilyn M. Raymond Family Trust, and the Petitioner as an individual, are bound by the conditions of this special exception; and

7. Petitioner must obtain and satisfy the requirements of all licenses and permits, including but not limited to building permits and use and occupancy permits, necessary to occupy the special exception premises and operate the special exception as granted herein. Petitioner shall at all times ensure that the special exception use and premises comply with all applicable codes (including but not limited to building, life safety and handicapped accessibility requirements), regulations, directives and other governmental requirements.
