At the start of the COVID-19 pandemic, Councilmember Jawando introduced, and the Council enacted, Bill 18-20, Landlord-Tenant Relations-Rent Stabilizations During Emergencies, to protect renters in the County from destabilizing rent increases. This law is tied to Gov. Hogan's March 5, 2020 declaration of a state of emergency and will expire 90 days after the end of the declaration.

Bill 30-21 would prohibit a landlord from charging a fee for nonpayment or late payment of rent during an emergency or within one year after the expiration of the emergency. [Bill 32-21 - Personnel - Employee Settlement Agreements with No-Rehire Clause - Prohibited](#)

Public hearing: The Council will hold a public hearing on Bill 32-21, Personnel – Employee Settlement Agreements with No-Rehire Clause – Prohibited. The purpose of the bill is to prohibit “no-rehire” clauses from County employee settlement agreements.

When an employee files an employment dispute or claim against the County, and a settlement agreement is proffered, it currently contains a no-rehire clause that prevents the employee from seeking future employment opportunities with the County. This automatic bar places an undue burden on County employees who may have gained several years of knowledge, skills and abilities with no viable option to return to County employment, even after, the dispute has been settled.

The bill also provides an exemption to include a “no rehire” clause, if the County and the employee mutually agree or if the employee by the Chief Administrative Officer or agency head was terminated “for cause.” In addition, the bill provides the option for an aggrieved employee to file an appeal with the County’s Merit System Protection Board, if a decision was made to include the “no-rehire” clause in the settlement agreement.

The lead sponsor is Council President Hucker.

The Council approved and adopted the Germantown Plan for the Town Sector Zone in July 2020.

ZTA 21-04 addresses irregularities between existing development and new zoning standards as a result of the rezoning, grandfathering existing by-right uses from the old Town Sector (T-S) Zone and protects quasi-public open spaces from future development.

The lead sponsor is Council President, at the request of the Planning Board.

[Proposed Executive Regulation 9-21, Sales Prices of Moderately Priced Dwelling Units \(MPDUs\)](#)

Review: The PHED Committee will discuss Proposed Executive Regulation 9-21, sales prices of moderately priced dwelling units (MPDUs), which would adjust and increase the pricing structure of for-sale MPDUs in line with overall changes to the Consumer Price Index (CPI).

The Department of Housing and Community Affairs' (DHCA) informed Council staff that it believes it is critical to make these pricing adjustments given increases in the cost of construction materials. The last pricing adjustment was in 2016. The proposed regulation provides a 6.5% increase to pricing standards to reflect the change in the CIP since 2016. Nothing in the proposed regulation would impact rental MPDU pricing or affordability.

Those expected to attend and provide information include Aseem Nigam, director, Department of Housing and Community Affairs (DHCA), Frank Demarais, deputy director, DHCA and Somer Cross, program manager, Affordable Housing Programs Section.
