What district in Montgomery County do you live in? If you do not know, please see the <a href="#">County District Map</a> *	District 5
Question/Comment for the Policing Advisory Commission *	With respect to traffic in District 5, I would like to see more done about the racing throughout the late night hours on US-29 between the county line in Burtonsville down through Fairland. Also during school hours, the traffic circle on Old Columbia Pike in front of Banneker MS is a notorious problem with drivers failing to yield frequently. I would like to see some periodic presence and figure out a way to slow traffic down through the circle (the latter I've already attempted contact with MCDOT but haven't seen any action).
