Question/Comment for the Policing Advisory Commission *	Speeding on Montgomery Village Avenue is a constant problem between Arrowhead Road and Centerway Road. It is not unusual to see cars traveling at 50 miles per hour or higher especially in the hours between 7 and 11 am At any one time there is only one speed camera operating on this road. There should be at least one speed camera operating in both directions at the same time I would also hope the police would perform more radar speed checks in that area.
