

RE: Montgomery County Council will vote on Executive Order 122-20, COVID-19  
Local Order

Sugar Plums in Rockville, MD in Montgomery County has taken every precaution since reopening a few months ago. Before the pandemic, the center was always kept very clean, with hand sanitizer at the entrance. All toys were cleaned after use and floors cleaned regularly in all rooms since babies/toddlers are on the floor.

Since the pandemic, the teachers are always in masks, taking temperature of the kids at drop off and no parents allowed into the center. While this was an adjustment at first for teachers, parents and kids, Sugar Plums has done a great job in ensuring the safety of our children and remaining open in a very safe way.

Please keep Sugar Plums and daycares open. They are essential for parents.
