

Robert Utley, I have lived in Montgomery County for over 30 years.

I am speaking about Bill 4-21. I request you to not pass this bill, in whole or part. As I have a hobby in shooting and the right to make, alter or improve my own guns, this would impact me and my hobby. This will not take guns out of the hands of criminals but make citizens like me a criminal if passed. My 2nd Amendment right is very important to me, and my ability to continue my hobby as well.

Thank you for your time and considerations.
