

TESTIMONY ON BEHALF OF THE COUNTY EXECUTIVE MARC ELRICH ON Bill 20-21 Swimming Pools – Lifeguard Requirement – Amendments

Good afternoon Council President Hucker and Members of the County Council. I am Dale Tibbitts, speaking on behalf of County Executive Marc Elrich. The County Executive supports Bill 20 - 21.

The bill aligns the lifeguard requirements for health clubs with the amendments the county has previously made for hotels. There are 12 health club pools covered by these amendments.

Montgomery County's requirements are more stringent than the State's requirements to keep our residents safe.
