Request for masking exception for Premium Cigar Retailers

Mr. Chair and members of the Council,

The Premium Cigar Retailers Association of Maryland represents over 30 adult only brick and mortar premium cigar specialty stores throughout the State. We thank you for the opportunity for one of our members to testify today.

We write today to request a limited exception in the masking order. An exception that would enable smoking at premium cigar lounges.

We share the concerns of County leaders about the rise in Covid-19 cases. However, as we have been doing, we will be able to continue to safely allow our customers to consume our products in these lounges. Our lounges have advanced filtration systems that filter the air up to five times per hour, these are systems that most businesses do not utilize. Additionally, we are only asking for an exception in the smoking lounges, we understand and agree that all staff will be masked, along with retail customers. We are asking for a narrow masking exception – only for seated customers in the smoking lounge – similar to how restaurants and bars have operated during the pandemic.

If this exception is not permitted, it will further devastate these local small mom and pop shops, as customers will simply drive to other neighboring jurisdictions, such as Virginia, who did not close smoking lounges throughout the entire pandemic.

For these reasons we respectfully request that an exception be granted for the on-premises smoking at these stores.

Sincerely

Finnie Helmuth, President of the Premium Cigar Retailers Assoc. of Maryland
