

Precinct 05-14 Oakview/Northwest Park Should Be Part of The NEW Councilmanic District 5

1. The area is east of the Northwest Branch—a major natural barrier from the balance of Langley Park/East Silver Spring.
2. The area is part of the Hillandale commercial area—by transit and foot!
3. The schools are part of the Springbrook/Northeast Consortium Service Area (NOT Blair).
4. There is NO good reason to split Oakview's representation, this area needs more attention!
