

**“It is all about  
power and  
control!”**

**The Final Variant is  
COMMUNISM!**

- Passports will not be temporary
- “Vaccinated” definition is misleading
- Ivermectin WORKS!
- HCQ does, too!

- Invalid tests create fear
- COVID “cases” based on 90 percent false PCR tests
- “Vaccinated” spread COVID
- The Jab causes variants
- Vaccines don’t reduce risk
- COVID injuries not reported

- The “Vaccinated” contract the COVID variants readily
- Masks don’t work, are unnecessary, breed bacteria.
