The policy of American government is to leave its citizens free, neither restraining them nor aiding them in their pursuits.”

-Thomas Jefferson

Since when did Americans use safety as a precedent for all other avenues of life?

Do you know what country declares safety is more important than freedom? China.

Vaccine passports is against freedom under the guise of safety. I reject that and it is shameful Americans would promote Chinese tactics!

Communism is evil and you support the tactics of communism by denying individual rights.

In Christ there is Liberty...is liberty more important than safety? Yes!
