To Montgomery County Council Public Hearing March 29, 2022:

Re: Casa Ruben Inc. Pediatric Mobile Medical Vehicle

I fully support the approval of Montgomery Council funding for Casa Ruben, Inc. The Foundation and Montgomery County would create a public-private initiative to use a mobile medical clinic to connect uninsured, under-insured, and under-resourced children and youth (ages 0-21 years) to healthcare and vaccinations.

Not only have I received services, but I have taken my teenage daughter, mom, and aunts. This is a great resource for the Haitian French-Creole diaspora. With a great and friendly staff and sweet and knowledgeable doctor.

Sincerely,

Stacy Arnoux
