To Montgomery County Council Public Hearing March 29, 2022:

Re: Casa Ruben Inc. Pediatric Mobile Medical Vehicle

I fully support the approval of Montgomery Council funding for Casa Ruben, Inc. The Foundation and Montgomery County would create a public-private initiative to use a mobile medical clinic to connect uninsured, under-insured, and under-resourced children and youth (ages 0-21 years) to healthcare and vaccinations.

Casa Ruben Inc. has helped the community greatly and even opened-up their service more during the pandemic. I am glad I received my vaccinations from their clinic and informed me to take of myself and my loved ones.

Sincerely,

Roberto Verguete
