To Montgomery County Council Public Hearing March 29, 2022:

Re: Casa Ruben Inc. Pediatric Mobile Medical Vehicle

I fully support the approval of Montgomery Council funding for Casa Ruben, Inc. The Foundation and Montgomery County would create a public-private initiative to use a mobile medical clinic to connect uninsured, under-insured, and under-resourced children and youth (ages 0-21 years) to healthcare and vaccinations.

Dr. Peralta is the pediatrician for my daughter, and I appreciate her services since I have arrived in this country.

Sincerely,

Raul DeAndrade
