Council members,

Where's the RACIAL EQUALITY AND SOCIAL JUSTICE with your refusal to REinstate the Office of People's Council by depriving EQUAL representation on important quality of life issues such as land use and zoning changes that could potentially impact the more MODEST neighborhoods that DON'T have the resources to hire land-use attorneys?

We, of LOW AND MODERATE INCOME have been without this valuable service for 12 years now!!!

This is Hypocrisy in its full form!!!

A handwritten signature in black ink, appearing to read "Dale Barnhard". The signature is fluid and cursive, with a large, sweeping loop at the end.
