Good morning,

I hope it is not too late for me to submit my testimony in support of the County Executive's recommended CIP, especially his proposal for \$1 million in the upcoming FY25 and \$2.5 million in FY26 for the long-expected relocation of the MCPS bus depot located on Crabbs Branch Way.

As a homeowner, taxpayer, and one of the first to invest in the West Side at Shady Grove development, I urge the Council to support this recommendation to advance its own approved plan for the Shady Grove Sector. Moreover, I'll remind the Council that 800+ individuals have signed our community's MoveOn petition urging them, along with the County Executive and MCPS, to get the plan finally done:

Your support of the County Executive's recommended CIP is therefore essential, as is the County Executive's continued commitment to completing this project in cooperation with MCPS.

Thank you and please let me know if you have any questions,

Kevin Bradley
