

## **Testimony in Support of the Freedom to Leave Act**

**February 27, 2024**

My name is Liz Cabrera Holtz, and I live in Potomac. I am a lifelong Montgomery County resident. I strongly support the Freedom to Leave Act. There are documented racial disparities in traffic stops in our county. As a member of the Latino community, it is critically important to me that the county act swiftly to ensure all residents are treated fairly and equitably.
