

Dear Council President Stewart and Councilmembers:

My name is Jonathan Kronstadt and I am a resident of County Council District 4. I have volunteered at Shepherd's Table and value highly the work they do.

I am writing to urge Montgomery County to allocate \$3.6 million additional dollars in Emergency Rental Assistance and Rapid Rehousing Programs. This is important to me because in addition to my volunteering, my son works with unhoused people in Colorado Springs, and as an American and human being I am ashamed of how many unhoused people there are and how little we do to help them and others who are in dangers of becoming unhoused.

Respectfully, I ask the Council to vote in favor of allocating \$5 million dollars to Emergency Rental Assistance.

I want to thank the County Council for this opportunity.

Sincerely,
Jonathan Kronstadt
