Attention Montgomery County Council

Good afternoon Councilmembers of Montgomery County.

My name is Gisselle Melgar and I am a student at John F. Kennedy High School

I am writing this letter to thank you for the funding that your organization sent to Liberty's Promise programs.

Liberty's Promise has helped me complete my community service hours and I have had the opportunity to attend excursions to museums, universities, colleges, and I have been able to learn more about the college application process.

The program has helped me integrate better at school and to get to know other students who have my same interests, and this has helped me continue to pursue my dream of finishing my career aspirations.

I am asking through this letter that your organization continues providing funding for Liberty's Promise programs. I will be very grateful to you for the opportunities.

Attn. Giselle Melgar Cardoza

I am in the 9<sup>th</sup> grade.
