Attention Office of County Council, Montgomery County.

Good afternoon, Councilmembers:

My name is Anthony Perez, and I am a student at John F. Kennedy High School.

I am writing this letter to give thanks for the funding your organization sent to Liberty's Promise programs.

This program has helped me a lot to inform myself about career paths to choose from in the future and has allowed me to know about universities and their benefits.

As a student I ask that your organization continues providing funding for Liberty's Promise programs and I am sure that many of us will be grateful for the opportunities.
