Attention Office of County Council, Montgomery County.

Good afternoon, Councilmembers:

My name is Kiarah Sanchez and I am a student at John F. Kennedy High School. I am writing this letter to thank you for the funding that your organization provided Liberty's Promise programs. They have helped me finish my community service hours and has helped me to socialize with several people that are now close friends. I am grateful for the food that we are fed after every activity. Liberty's Promise has helped me to be more independent and a good student. My objective is to continue doing more community service hours even though I already completed mine. Thank you.

Kiarah Sanchez, grade 10.
