

TeenWorks Testimony

As a proud TeenWorks participant for the past two years, I can personally speak to the powerful impact this program has had on my life—and the lives of many young people in our community. TeenWorks, through programs like EBB, RecZone, and SoccerForChange, has helped me grow into a more confident leader, strengthened my communication and customer service skills, and given me a sense of purpose and belonging. I've worked with diverse, talented teams and served my community in meaningful ways. This program doesn't just keep youth engaged—it equips us with real-world experience, strong work ethics, and a belief in our potential. I am deeply grateful for TeenWorks and Montgomery County Recreation. Continued and increased support for this program is an investment in the next generation of community leaders—and I am living proof of that.
