

Written testimony of Andrew Rhodes to support restoring Montgomery County Parks funding request now under review.

I am a registered voter, outdoor recreation enthusiast, and a county parks volunteer. Please restore the requested funds for Montgomery County Parks. The Department provides a valuable service to count residents allowing them recreation and exercise that is extremely valuable in these stressful times. The Natural Surface Trails program provides and maintains infrastructure with minimal expense and maintenance.

Thank you very much for your consideration.

Respectfully,

Andrew Rhodes
