Re: Zoning Text Amendment 25-06 to be heard June 10, 2025 at 1:30 p.m.

From: Wendy and Richard Farrill, Kensington, MD 20895

We still object to the placement of a mega gas station so close to residential properties. Our property is downstream of the Ring Road that is a part of Wheaton Plaza and very near to where Costco would place a gas station. Any potential leak in the one hull gas tanks that will be used in the mega gas station endangers us. Our sump pump is within 5 ft of our open flame gas water heater.
