Dear Montgomery County Council,

I am writing to you today to inform you of my opposition to the University Corridor plan.

As a resident of Silver Spring for 26 years, I strongly oppose the University Corridor building plan. Our community is already heavily congested, and adding more large-scale development will only worsen traffic, strain infrastructure, and diminish quality of life. There are many other areas farther up-county that are better suited for this type of growth. I did not choose to live in Silver Spring to be surrounded by a dense, urban environment, and I urge the county to reconsider placing this plan here.

Sincerely,

Cari Jordan
